Please briefly present your organisation.

Çorum Adult Education Culture Association was established on 27.05.1969 and continues its activities in social, cultural and sports fields. The association has 60 active members. Our members are mostly teacher officers and students.

The aim of the Association is to closely monitor the Social and Cultural studies of Adult Education and to contribute to all kinds of activities related to Adult Education in material and spiritual terms.

It is among our goals to produce and implement projects jointly with relevant institutions in Turkey and foreign countries seeking solutions to social problems, to conduct researches and to exchange experiences. It is also among our goals to produce and implement social, innovative projects for chronic disease groups for all kinds of physically, mentally, spiritually, socially disadvantaged individuals, hearing and visually impaired; problematic and deprived individuals;

In addition, it is among our duties to ensure that the members of the association are aware of the opportunities of domestic and international cooperation, to organize training programs, seminars, conferences and projects for their members, to spread the spirit of entrepreneurship, and to organize training activities for young people and women to become entrepreneurs..

OUR MISSION

Developing national and international projects / activities by taking a pioneering role in order to provide social, cultural, sportive gains required by the age and needs of all individuals, primarily Adults, with a society perspective that adopts learning as the subject of life, and to support their personal development and gain economic knowledge and skills, and to carry out.

OUR VISION

In the perspective of Lifelong Learning, it aims to support the social participation of adults through arts and cultural activities, and their personal development through educational and physical activities. In line with the education and learning needs of adults, we aim to develop training programs and projects for adults, disadvantaged groups, women, the unemployed, the disabled to complete their basic education deficiency and to acquire the necessary knowledge and skills required by the age, to develop their social cultural skills and to gain economic skills. .
